

TOWN OF PINE KNOLL SHORES HURRICANE ISAIAS MESSAGE #1

The Town is now preparing for the possible arrival of Hurricane Isaias. The next 24 hours will be critical to the forecast for intensity and hurricane track.

The Town is currently in a State of Emergency due to COVID-19 however further emergency declarations may be forthcoming due to Hurricane Isaias.

NO RE-ENTRY PASSES ARE BEING ISSUED! Unless you purchased your home in recent weeks, do not call or email the town regarding re-entry passes.

Due to a very high risk of rip currents, the beaches will be red flagged immediately with **NO SWIMMING** until further notice.

The Town will be placing stormwater pumps around town in preparation for heavy rainfalls. There will be hoses placed across Yaupon and Juniper. Only residents of Yaupon and Juniper should be using those roads. Everyone else please use an alternate route to your destination.

TODAY is the day to be filling your tanks with gasoline. All lawn furniture and outside equipment must be properly secured. If you are not currently in town please contact a neighbor or friend to do this for you before Sunday.

Following is the link to the National Weather Service website where you can find the latest updates on Hurricane Isaias: <https://www.weather.gov/mhx/>.

Stay tuned for further updates.
