For immediate release:

Important Phone Numbers  
September 5, 2019  
12:00 PM

Carteret County, NC – With the pending impacts of Hurricane Dorian it is important citizens have the appropriate contact information for resources during the storm.

As a reminder, there is a curfew in place from dusk to dawn for Carteret County residents.

Should you have questions about road conditions or closures, including bridge closures, please use the following contact information:

*NCDOT*

Dial 511 to speak with an agent.

Additional information is available on [www.ncready.org](http://www.ncready.org).

Should you have questions about power in your area, please use the following contact information:

*Duke Energy*

To Report an Outage: 1-800-419-6356 or Text "OUT" to 57801

General Questions: 1-800-769-3766

[www.dukeenergyupdates.com](http://www.dukeenergyupdates.com)

*Carteret-Craven Electric Cooperative*

To Report an Outage and General Questions: 252-247-3107 or 1-800-682-2217.

Agents will be available to answer calls 24 hours a day.

To report water pollution or sunken vessels, please contact:

*United States Coast Guard National Response Center*

1-800-424-8802

3820 Bridges Street, Suite D  
Morehead City, NC 28557

Press Release #8

The Carteret County Emergency Operations Center is fully operational at this time and employees will be available 24 hours a day to answer questions.

*Carteret County Emergency Operations Center*  
252-726-7061

Additionally, access is available for citizens and visitors to WebEOC. WebEOC is an online tool used to manage emergency events throughout the County. Information regarding road or bridge closures, shelter information, and press releases issued by the County and municipalities can be found here. The public can access WebEOC by using the following link:  
<https://carteret.emcommunity.com>

During and after the storm communication will continue through our normal channels; however, in the event of communication outages, citizens should check with their local fire departments for updated information.
